Army Chief Warrant Officer George E. Valentine, whose wife, Valerie, lives at 5104 Macafee Rd., recently participated with the 8th Infantry Division's 8th Aviation Company in combat efficiency training tests in Germany.

The tests were designed to determine the ability of the company to set up and operate a tactical airfield, establish a communication system for aircraft control and provide defense against air, ground, and chemical, biological and radiological attack.

Rental Assures Retirement Southern Californian, Mrs. Florence Dillon, taking advantage of the local necessity for housing, increased her retirement income by building a second home on the front of her property as a rental unit. The unit provides her with a steady monthly income, plus her own home.

Valentine, a helicopter pilot in the company in Bad Kreuznach, entered the Army in 1946 and arrived overseas on this tour of duty in September 1957.

For example, Mrs. Florence Dillon, 76 years, on the advice of her son-in-law who is a Vice-President of the California Savings and Loan League, had Harmony Homes build a home on the front of her property. Today Mrs. Dillon enjoys an easier retirement because her rental income far exceeds her payments... and her tenants are buying the house for her besides.
